

We're hiring!

# VACANCY

## PROJECT MANAGER

**FULLTIME (40 HOURS)**

# PROJECT MANAGER

Are you hospitable, flexible and do you have a heart for hospitality? Do you love connecting people, do you like being in control and is multitasking one of your secret talents? Then Mise en Place is looking for you! We are looking for an allrounder who, together with us, can exceed the expectations of our employees and clients.

## **What will you do?**

As a Project Manager you are responsible for one or more regions within Mise en Place Netherlands.

## **Your challenge?**

To ensure that the perfect match is found between the needs of our employees and our partners. You monitor and coordinate recruitment and planning by working with different departments. In addition, you will support your fellow City Managers with project management.

You are in the centre of the organisation every day. You have a diverse range of tasks in which communication plays an important role. You have a coordinating and controlling function. You function as a spider in the web, where you know how to make the right connections between the questions on the table and the person that can respond to it.

## **At Mise en Place**

As a renowned specialist in the temporary employment of hospitality staff, we have been providing the perfect match for over 25 years between enthusiastic hospitality talents and clients, including hotels, football stadiums, conference buildings and event organizers. We provide students with an unforgettable study time, by offering them a flexible side job, with plenty of opportunities for personal development and legendary monthly drinks with the team. For our clients we are the partner in the field of temporary staff support in hospitality.

## **You like doing this:**

- Make plans and deploy the right people to implement them.
- Guiding employees to grow within the organisation
- Identifying opportunities for improvement and converting them into actions for the benefit of the team's work.
- Multitasking, the more tasks you can take on, the more enthusiastic you get!
- Working together with people in different roles, whether it is the client of a project or a jobber.

## **What are we looking for?**

- A heart for hospitality
- Communication is your strength; no question or request is too much for you
- Planning is a piece of cake for you, just like thinking in solutions
- You are great at multitasking, and you enjoy a good puzzle every now and then
- You feel at home in a dynamic environment and can keep an overview during hectic times
- HBO (or equivalent) working and thinking level
- You are looking for a job that is never dull, and no day is the same. Of course, evenings and weekends are included.
- You have excellent command of the Dutch and English language
- Currently living in or near Den Bosch

## **Competencies**

- Energetic and convincing
- Solution driven, thinking in opportunities
- Results oriented
- A true team player
- Good communication skills (written and verbally)
- Able to manage the operational team, social, involved

## **What do we offer you?**

An interesting job in a young and entrepreneurial company. We dislike hierarchy and there is always room for some fun during work. Of course, you will also be present at our yearly events such as our 'Summer6Camp' and our ski trip. In addition, you will be able to visit various networking events.

The basics are also covered: we can offer you a suitable salary between €2100,- & €2500,-, taking into account your level of education and work experience. You have 25 vacation days per year and an extra day off on your birthday.

In addition, we are more than happy to invest in your personal development with you, through the Mise en Place Academy, but also through other courses and training. Lastly, you will also participate in the pension scheme.

Enthusiastic? Nice! We are looking forward to receiving your resume and motivation. You can email this to Amber Schouten at [support@miseenplace.nl](mailto:support@miseenplace.nl). Do you have any further questions? Then you can always contact us on 085 024 0130
